

RC 139

December 10, 1956

Mr. V. J. Thompson, Chairman
Review Committee
Pacific Gas and Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Thompson:

In view of the discussions at our meeting of November 20, 1956 the members of the Review Committee feel that R. C. No. 139 should be dropped. Therefore, we ask that the case be closed.

It is our opinion that no decision should be written in connection with this case, but rather that each party notify the members of their respective grievance committees in De Sabla Division that the Union's claim was withdrawn by the Union Review Committee members.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
