MR. R. J. TILSON:

Attention: Mr. V. J. Thompson

This grievance covered the posting and awarding of Electrician Communication, San Luis Obispo, Job 18:713. The job was awarded to Mr. Fanin and objected to by the Union, as covered in our Grievance Meeting, dated April 12th. As it was not settled in the meeting, it was referred to the Review Committee.

Last week Mr. Fanin requested a leave of absence in order to recover from illness. The leave of absence is rather indefinite and it is possible Mr. Fanin will never be able to return to such work as required by this position at San Luis Obispo. He has been informed that the job will again be posted for bids and filled.

205.4

We therefore request the Review Committee return this grievance to Coast Valleys Division Joint Grievance Committee, for further consideration.
