Mr. V. J. Thompson, Chairman  
Review Committee  
Pacific Gas & Electric Company  
245 Market Street  
San Francisco 6, California

Dear Mr. Thompson:

In reviewing Review Committee File #194 (San Jose Grievance #15), it is agreed that the present operations of the warehouse facility on Montgomery Street in San Jose would be in conformity with the recently agreed to amendments to Job Definitions and Lines of Progression in utilizing a Senior Warehouseman.

Union's members of the Review Committee are therefore withdrawing this grievance from the Review files and we shall consider the case closed.

Very truly yours,

L. L. Mitchell, Secretary  
Review Committee
