Dear Mr. Thompson:

The Union's members of the Review Committee are withdrawing Review Case #309 (Colgate Division Gr. #2:61) from the agenda and will consider this case closed.

We would suggest, however, that the situation is not cleared up merely because this grievance is being withdrawn. It is the feeling of the Union's members that a severe personality difference exists and led to the indiscriminate use of authority by the supervisor in charge. We would urge a very close look by management as to the background in this case and ask that serious consideration be given to providing the grievant with at least a partial vacation during the period which has been the choice of Mr. Wellborn during all these years.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
