Review Committee File no. 370
General Office Grievance No. 18

December 10, 1962

MR. F. A. WEIMER, Chairman
General Office
Joint Grievance Committee

The Review Committee has discussed the above subject grievance during its recent meetings. We note that the correction asked for by the grievant as it pertains at least to the 1962 vacation period cannot be granted.

This grievance is herewith returned to the Division Joint Grievance Committee for further disposition. The Review Committee is of the opinion that the subject of the grievance is one which can better be resolved in the Department than through the grievance procedure. This is to say that in scheduling future vacation periods the employees and the supervisors should endeavor to arrive at an agreeable scheduling of vacation in accord with the needs of the Department as well as considering the desires of the employees concerned.
