Review Committee  
Pacific Gas & Electric Company

Dear Mr. Thompson:

Regarding R. C. File #372 (De Sable Division Grievance #83), our review of the record of assignments to the Second Operator classification by the grievant indicated that these assignments were of a temporary nature and not allowable in determining the grievant's classification seniority for bidding purposes. The award as made by the Division was proper, as it was given to the employee with the greater classification seniority.

Union's members of the Review Committee are withdrawing this case and shall consider it closed.

Very truly yours,

L. L. Mitchell, Secretary  
Review Committee
