Review Committee File no. 373
Drum Division Grievance No. 15-3

January 7, 1965

MR. R. W. BIBBY, Chairman
Drum Division
Joint Grievance Committee

The above subject grievance was referred to the Review Committee on June 21, 1962. The grievance questions the necessity of filling a temporarily vacated Clerk B position, in the Auburn office, for a one-week period. The Review Committee is referring the grievance back to your Committee for local settlement in the following manner:

The grievance is to be disposed of by adjusting the pay of the Clerk C, who performed certain of the upgraded Clerk B's functions, to a Clerk B for the week in question. This means of settlement shall be without prejudice to the position of either Company or Union in regard to the issues presented by the grievance.

The Division will procure the authorization necessary in making the adjustment, after which the grievance will be considered closed.
