Dear Mr. Brown:

Reference is made to R. C. #380 (General Office Grievance #20). This case is being withdrawn from the Review Committee file without prejudice to future grievances involving these issues.

The case will be considered closed, but it is felt that the delays created in the settlement of this case should be informally reviewed by spokesmen of the parties to discuss ways and means for more expeditious handling of such cases in the future.

Very truly yours,

L. L. Mitchell, Secretary
