Mr. L. V. Brown, Chairman
Review Committee
Pacific Gas & Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Brown:

Reference is made to Review Case #422 (San Joaquin
Division Grievance #25-192) which was filed for
arbitration on May 8, 1963.

Since the employee has indicated no desire to return
to the Company, it is Union's desire that this case
be withdrawn and the Review Committee will consider
it removed from the agenda of the Committee.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
