**Review Committee File No. 485**  
**Coast Valleys Division Grievance No. 18-63-5**

The matter involved in R. C. #485 has been resolved by placement of the grievant in a Senior Patrolman job. The placement was agreed to by the grievant and therefore resolves the matter of this case so far as the Review Committee is concerned.

We do, however, wish to state for the record our understanding regarding the use of the employee in this classification. Due to impairment in his hearing, he is not to be required to perform functions where such deficiency can create a hazard to others. Further, the deficiency in his hearing is not to be used as a reason for further demotion because of inability to perform certain functions which can be required of employees in the classification to which he has been assigned.

**L. L. Mitchell, Secretary**
