Review Committee File No. 562
East Bay Division Grievance No. 235
Assignment to A.C.D.S. Work

July 11, 1967

MR. W. H. PETERSON, Chairman
East Bay Division
Joint Grievance Committee

The above-subject grievance was forwarded to the Review Committee on April 29, 1964. The case is referred back to the Division Joint Grievance Committee for disposition as follows:

The settlement of this case is without prejudice and is extended only to those persons listed on the attached schedule, included in the material submitted to Review, who are presently employed by Company in a weekly clerical classification. These employees will each receive a retroactive pay adjustment, from February 11 to May 2, 1963, of the difference between the rate of pay received and the beginning wage step of the Clerk C classification, or 2½% of their then present wage rate, whichever is higher, for the hours worked on the A.C.D. System in conformance to the schedule.

The Division will procure the necessary authorizations and wage adjustments. Following this, the case will be considered closed and so noted in the minutes of your next Joint Grievance Committee meeting.
