Review Committee File No. 603
San Jose Division Grievance No. 8-64-6

December 8, 1965

Mr. G. E. Bishop, Chairman
San Jose Division
Joint Grievance Committee

The above subject grievance was referred to the Review Committee November 4, 1964. We are returning the grievance to the Division Joint Grievance for further discussion and disposition in accord with the following general understanding:

In regard to Item (1) of the "Joint Statement of Facts," submitted with the record to the Review Committee, it is our understanding that this duty may be performed by a Voltage Tester.

In regard to Item (2) of the "Joint Statement of Facts," submitted with the record to the Review Committee, it is our understanding that while in the process of making a load or voltage test, this would be limited to a Voltage Tester who notices a loose connection which may be safely tightened by him.
