April 24, 1967

MR. S. C. ANDERSON, Chairman
De Sabla Division
Joint Grievance Committee

The above-subject grievance is returned to you for disposition by the Division Joint Grievance Committee in accordance with the following:

The grievance concerns the assignment of work two days a week at the Paradise and Orland Substores. The record submitted to Review notes that the Division had offered to "pay the Senior Warehouseman wage rate for such duties and to adjust the pay to 30 days prior to the date the grievance was filed." The issue raised by the grievance has been resolved for the future through negotiations, and as a result, the work in question is being performed by a Senior Warehouseman. It is the decision then of the Review Committee that the Division's offer will be given effect. The period of retroactivity will commence 10-13-64 and conclude on the date a Senior Warehouseman was assigned such work. The Division will procure the necessary authorization after which the case will be considered closed.

After making the retroactive pay adjustments called for, please note in the minutes of the following grievance meeting that the case is closed.
