Dear Mr. Brown:

Reference is made to Review Committee File No.
724-66-46 (De Sabla Division Grievance No. 10-66-4;
D.Gr/C No. 10-66-3).

The Union is withdrawing this case without prejudice from the active file of the Review Committee. In so doing, reference is made to the Review Committee Decision in Cases 469 and 517, as the question of degree of work is involved in these cases. The specific work involved in the grievance is not necessarily the work of an Electrical Technician but the testing of electron tubes other than those involved in the grievance may well be work of a Technician.

Very truly yours,

Daniel J. McPeak, Secretary
Review Committee
