Review Committee File No. 769
San Joaquin Division Grievance No. D.Gr/C 25-67-5
Denial of Payment for Meals

May 21, 1968

MR. A. W. FLIPPIN, Chairman
San Joaquin Division
Joint Grievance Committee

The above-subject grievance was referred to the Review Committee on January 10, 1968. Since then, it has been discussed by the members of the Committee.

As I discussed with the Division, the grievance is being returned to the Division Joint Grievance Committee for further discussion and disposition. It is our recommendation that the correction sought by the grievant be granted in this case. In doing so, it should be understood that the settlement is based on the particular facts of this assignment and does not constitute a waiver of the provisions of Section 201.1 of the Agreement. In noting the final disposition in the Division's Joint Grievance Committee minutes, it should be stated that the settlement is without prejudice to the positions of either Union or Company.
