Review Committee File No. 783  
East Bay Division Grievance No. D.Gr/C 1-68-1  
Distribution of Overtime - Richmond Office

RECORDED

LOCAL 1245, IBEW

November 3, 1969

MR. C. H. PEDERSEN, Chairman  
East Bay Division  
Joint Grievance Committee

This grievance has been discussed at meetings of the Review Committee and is being returned to the Division Joint Grievance Committee for further discussion and settlement.

It is the opinion of the Review Committee that persons who have volunteered for the emergency call-out list should be the first called when an emergency situation exists. As long as practicable, supervisors should attempt to call all persons on the call-out list until the manpower requirements as dictated by the situation are met.

After discussion, this case should be closed and so noted in the minutes of the next Joint Grievance Committee meeting.
