Review Committee File No. 810
North Bay Division Grievance No. D.Gr/C 4-68-2
Upgrading Helper to Serviceman

705.3

January 24, 1969

MR. D. K. STUART, Chairman
North Bay Division
Joint Grievance Committee

The facts presented by this grievance are unique in the experience of the Review Committee. The conditions under which a Helper will be upgraded to Serviceman have been carefully set forth in a previous letter agreement establishing entrance requirements to the Serviceman classification. The fact that the Review Committee is closing this file without prejudice should not be understood by the Division to constitute an exception to the provisions of that letter agreement. Inasmuch, however, as it is unlikely that the facts of this grievance will be repeated, the Review Committee is closing the file without prejudice and without further comment as to whether the upgrade was improper or proper.

You will note in the next minutes of your Joint Grievance Committee that this case is closed without prejudice.

L. V. BROWN, Chairman
Review Committee
