

REVIEW COMMITTEE DECISION

Review Committee File No. 832  
Coast Valleys Division Grievance No. 18-68-1

Subject of the Grievance

The grievance questions the appropriate rate of pay of a T & D Driver while operating an insulator wash rig. It is contended that such drivers would be paid at the rate of Heavy Driver or T & D Equipment Operator.

Discussion

Although not provided for in the Division Electric Department Job Definitions, it is the opinion of the Review Committee that an employee who is assigned to drive an insulator washing vehicle(s) which is:

- a. a motor vehicle with three axles or more with a gross vehicle rating of 40,000 pounds or more; or
- b. a truck-tractor with a gross combined weight rating of 50,000 pounds or more; or
- c. a truck with two or three axles which, when couple to a trailer or semi-trailer with auxiliary dollies, has a gross combined weight rating of 50,000 pounds or more;

shall be paid at the wage rate established for a T & D Equipment Operator.

Decision

This case is considered closed on the basis of the above understanding.
