Review Committee File No. 849
Coast Valleys Division Grievance No. D.Gr/C 18-68-9
Mechanics Allegedly Working Out of Classification

419

March 20, 1969

MR. E. E. HYDE, Chairman
Coast Valleys Division
Joint Grievance Committee

The above-subject grievance has been discussed at meetings of the Review Committee. It is the decision of the Review Committee that the work assignment performed by the grievants is within the agreed-to job definition of Mechanic.

The Committee is of the opinion that as long as the Mechanic is working as an assistant to the Special Mechanic, who is responsible for the completion and direction of the work and is available for supervision of the work in progress, that such work is within the scope of a Mechanic's job definition.

This case is considered closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
