October 30, 1969

MR. M. H. CHANDLER, Chairman
General Construction
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the General Construction Joint Grievance Committee for further discussion and settlement.

The grievance should be settled by the Committee on the basis of Company's statement of policy, as expressed in the Joint Grievance Committee minutes of November 18, 1968, concerning the operation of all types of equipment. Namely, that equipment known to be faulty or unsafe shall not be operated and that when a reasonable doubt exists, an employee may object to operating said equipment.

It will be in order for you to note in the minutes of your next Joint Grievance Committee meeting that this case is considered closed.
