MR. E. E. STRAND, Chairman
San Francisco Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee. It is the Review Committee's opinion that a Serviceman, or classification higher thereto in the line of progression, who provides training for an upgraded Helper, who has successfully completed the Gas Serviceman School, will be upgraded only when such training is done on a classroom basis with a number of such Helpers in attendance.
