MR. R. C. ATKINS, Chairman
Humboldt Division
Joint Grievance Committee

The Review Committee has discussed the above subject grievance and is returning it to the Division Joint Grievance Committee for settlement in accordance with the following:

The question of a Warehouseman inventorying exempt material on T&D crew trucks in the field has significantly changed over the last few years as a result of bargaining over the reorganization of the Materials Distribution Department. It is now quite clear that this type of activity is to be performed by the Materials Leadman classification and for these reasons the Review Committee feels that the grievant is entitled to the Senior Warehouseman rate of pay for the day in question.

When the above adjustment is made, this case will be considered closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
