September 1, 1970

MR. L. A. WETTER, Chairman
San Joaquin Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Division Joint Grievance Committee for settlement in accordance with the following:

In view of the special facts of this situation, where both of the Roving Operators at the grievant's headquarters were unavailable for the relief assignment at Tule Power House, Company will pay the grievant as a Roving Operator for that time spent in providing relief for the Station Attendant at Tule Power House. However, payment will not prejudice Company's position in any such future case.

This case shall be considered closed and so noted in the minutes of the next Joint Grievance Committee meeting.
