The above-subject grievance has been discussed by the Review Committee and is being returned to the Joint Grievance Committee for settlement on the following basis:

It is the opinion of the Review Committee that Section C.2 of the Labor Agreement Clarification, "Utilization of Relief Shift Employees", applies to the filling of temporary job vacancies. This includes temporary vacancies resulting from discharge, resignation and those created as a result of the bidding procedure, as well as those listed in Section C.1.

This case is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
