Review Committee File No. 975  
Humboldt Division Grievance No. D.Gr/C 19-69-6  
Upgrading Mechanical Maintenance Helpers to  
Temporary Mechanic

January 15, 1971

MR. R. C. ATKINS, Chairman  
Humboldt Division  
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Division Joint Grievance Committee for settlement in accordance with the following:

Vacancies in the Mechanic classification of the Steam Generation Maintenance Department will be filled by letter agreement between Company and Union. However, it is the Review Committee's opinion that other classifications may be upgraded to the Mechanic classification for periods of short duration and for the purpose of providing training in the classification.

This case is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
