Review Committee File No. 1006
Humboldt Division Grievance No. D.Gr/C 19-70-3
Assignment of Mechanical Maintenance Employees at
Humboldt Bay P.P. to Test for Condenser Leaks

October 28, 1970

MR. R. C. ATKINS, Chairman
Humboldt Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Joint Grievance Committee for settlement in accordance with the following:

Historically both the Maintenance Department and the Operating Department have performed the duties necessary to maintain and test for leaks in the condenser tubes. The Helpers performed work within their job description by providing assistance to the journeyman Machinists who were assigned the task of testing for leaks in the condenser tubes.

Based on the above, this grievance is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
