The above-subject grievances have been discussed by Review Committee and are being returned to the Divisions for settlement in accordance with the following:

The Review Committee is of the opinion that the unresolved issues in these cases were settled as a result of this year's bargaining and understandings reached in the Labor Agreement Clarification of Title 206 of the Physical Agreement and Title 19 of the Clerical Agreement.

These cases are considered closed without adjustment and should be so noted in your minutes of your next Joint Grievance Committee meetings.
