Relief of a Utility Operator**

**November 2, 1972**

**MR. C. A. MILLER, Chairman  
San Francisco Division  
Joint Grievance Committee**

The Review Committee has discussed this grievance at its last meeting. In reviewing the positions of the Union and the Company, it appears that both are under the impression that this situation involves a temporary upgrade. The lines of progression, however, evidence that the Assistant First Operator is not next lower, but is, rather, the "same or higher" than Utility Operator. For this reason, the grievance is referred back to your Committee for further discussion of an appropriate disposition of the grievance in this light.
