This case concerned the processing for payment of invoices by Maintenance Assistants in field office locations. Prior to the filing of the grievances, all invoices were sent into the Walnut Creek headquarters for processing.

This grievance was referred to the Gas Supply L/A 94-53 committee for discussion and a recommended resolution. At their January 17 & 18, 1996 meeting, they agreed there was no violation of the agreement.

Based on the foregoing, the Pre-Review Committee agrees to close this case without adjustment.
