

THE SCAB

WHAT IS A SCAB?

“After God had finished the rattlesnake, the toad, and the vampire, he had some awful substance left which he made a scab. A scab is a two-legged animal with a corkscrew soul, a water-logged brain, and a combination backbone made of jelly and glue. Where others have hearts, he carries a tumor of rotten principles.

.... Judas Iscariot was a gentleman compared with a scab for betraying his Master, he had character enough to hang himself. A scab hasn't!!

.... There is nothing lower than a Scab.
