May 29, 2015

To : Eileen Purcell  
International Brotherhood of Electrical Workers.

Dear Eileen, and all members of the IBEW,

This is the second year in a row that the IBEW has donated to help us serve veterans in the Shasta County area. Through contributions of your members you were able to donate \$500.00 to the Redding Veterans Resource Center.

This money will be used to produce fundraising activities in order to increase our ability to pay for additional help for our veterans that is not covered by our Supportive Services for Veterans and Families Program.

We hope to hold a fundraising Sporting Clays trap shoot early in the fourth quarter of this year. Your contribution will help us secure the shooting range and other needed supplies to hold the trap shoot.

We look forward to a successful fundraising event with your generous help. The staff and clients at Redding Veterans Resource Center want to extend our heartfelt thank you to the members of the IBEW for this contribution.

Again, thank you....

Regards,

Brad Long and the Staff of Redding Veterans Resource Center.
