

Brice Fabing Bikes 4 Kids Bike & Helmet Drive Fundraiser

**FUNDRAISER RUNS FROM
SEPTEMBER 28TH-DECEMBER 17TH
81-DAY FUNDRAISER
(BRICE'S JERSEY NUMBER)**

We miss you Brice!

Program started 2006 with 17 bikes (Brice's age) and our goal was to get to 81 bikes (his Lompoc Braves jersey number) and maintain that amount! Last year we received more than his jersey #81, final count 130 bikes!
THANK YOU EVERYONE!!

In the Spirit of Christmas and to help us remember the true meaning of Christmas is to give, the Fabing Family is sponsoring the 11th Annual **Brice Fabing Bikes 4 Kids Fundraiser!**

It's been 12 years since Brice's passing this year and in his memory this year our goal is to try to obtain over 81 bikes and helmets again to give away at Christmas this year 2017!

Brice loved all sports and was a gifted athlete who was so full of life and had a huge heart for giving! Our family believes Brice was sent here by God to touch many hearts and he did just that in the short time he was here with us. To continue the work that God sent Brice to accomplish, our family has strived to honor his memory by giving back to our community as they were there for our family during our darkest hours. The kindness and generosity will never be forgotten by our family. It makes us so proud to be part of our special little Lompoc community!

As Christmas is nearing, we need to remember that there are many children who would love to have a special Christmas too, yet their family may need help in providing this for them. The Fabing family would like to help keep Brice's memory alive by helping a child in our community have a special Christmas and they are hoping you will find it in your hearts to help as well!

Remember God's words: *'It is more blessed to give than to receive.'* Acts 20:35 - We know that Brice and our Lord and Savior will be smiling down in knowing that we have brought to joy to one of His children and remembering the true meaning of Christmas.

So if you find it in your heart to remember those in need and remembering Brice. Together we can bring a smile to a child and donate a **BRAND NEW BIKE** to the **Brice Fabing Bikes 4 Kids Fundraiser**. They don't have to be expensive bikes, but a brand-new bike will put a smile on any child's face on Christmas morning. If you would like to donate a new bike in Brice's Memory, please contact Dorine Fabing at 735-6350!

We would like to thank ALL of you who contributed last year. Our goal was 81 new bikes/helmets (Brice's Jersey number) and last year God Blessed us with 130 new bikes and helmets! Thank you all so much to the awesome givers! I am sure God will Bless you in return!! Below are some pictures of some happy kids who received bikes! Thank you so much from the many children who were blessed last year...see pictures attached!

If you are really busy and don't have the time to buy a bike, you can also donate the money to help purchase bikes or helmets. Make your check out to: **Brice Fabing Memorial Fund** and mail it *with this form* to the following address:
