ENHANCED BENEFITS (Effective August 2019)

Journeyman Lineman who join NV Energy will be eligible for these additional incentives:

\$5K sign-on bonus. Lump Sum of \$10K for relocation. Retention bonus up to \$20K (If you start by 12/31/2019 you will get \$10K to be paid by 1/31/2020 and another \$10K to be paid 2021) PTO – NV Energy will credit your cumulative IBEW service dates (with proof of IBEW membership) PTO Cash out – once per year

NV Energy has served northern Nevada for more than 150 years and southern Nevada since 1906. Our Company is committed to creating a culture that embraces our core values of safety, customer focus, compliance, integrity, and reliability. Be a Lineman who is set apart from the others and join our team!

NV Energy is seeking Journeyman Lineman for several of our Northern Nevada locations. As a Journeyman Lineman, you will perform all classes of overhead and underground transmission and distribution line work and the construction, erection and maintenance of substations while working in a crew environment. Candidates, through training and experience, are required to demonstrate their knowledge of underground circuits, substations, and apparatus to test, maintain, and install duct line, cable, conduits, risers, Company-owned customer outdoor lighting equipment, circuit breakers, transformers, and associated equipment, substation equipment, and circuits.

Opportunities are also available for our Traveling Transmission Lineman division. These Journeyman perform all duties associated with Lineman work at normal distribution voltages as well as work on 110KV, 230KV, 345KV, or higher transmission line voltages. The Traveling Lineman crews, who travel up to 50% of the year, work on special projects throughout Northern and Eastern Nevada and receive additional premium pay, out of town expenses, and meal reimbursements.

Wages & Benefits: Not only will you find competitive salary and health insurance plans, but employees at NV Energy participate in a safety incentive bonus program, 6% Company 401k match, paid training, and tuition reimbursement. **Also, since Nevada does not have state income tax, residents receive more of their salary!** Current negotiated hourly rate of \$48.39/per hour and up to a 2% safety bonus incentive (*incentive paid on regular and overtime earnings*). . Staff in the Traveling Transmission Lineman classification are eligible for an additional \$3/hour out of town premium with all travel expenses provided through a comprehensive subsistence program.
