1.2 The Union and the Employees recognize that the Employer continues as the sole and exclusive manager of its business, retaining all of the powers, rights, functions and authority formerly held by management, except to the extent to which they are specifically limited by an express provision of this Agreement and nothing herein contained shall be construed to the limit the right of the Employer to determine the character, extent or methods of its operation.

1.3 It is understood and agreed that the Employer retains the unilateral right to determine its methods of operations, or any part thereof. However, the Employer will not contract out work being performed by Employees within the bargaining unit which results in the laying off of the then working Employees. This shall not be interpreted to prohibit the contracting out of new, different or additional work to which unit Employees have not been assigned or work for which, in the opinion of the Employer it does not have the adequate equipment, facilities or skilled personnel to properly perform.

1.4 Provisions of this Agreement shall be limited in their application to Employees of Employer as described in Section 1.1 of this Article. When the words "Employee" and "Employees" are used in this Agreement, they shall be construed to refer only to Employees described in said Section 1.1 unless otherwise noted.

1.5 Neither the Union nor the Employer shall discriminate against any Employee or prospective Employee because of race, sex, color, creed, national origin, age, disability or membership or non-membership in Union.

1.6 The Employer shall deduct from their wages and pay over to the proper officers of the Union the normal and regular membership dues of those Employees who individually and voluntarily authorize such deductions in writing. A charge of the true cost per deduction will be

made by the Employer for this service. Deductions shall cease on proper notification from IBEW Local 1245. (Amended 1-1-2026)

1.7 The Employer will provide bulletin board space for use by the Union for the posting of official Union notices of meetings and similar matters relating to official Union business.

ARTICLE XVI
LEAVES OF ABSENCE

16.1 "Leaves of Absence" and "Leaves" signify approved absence with or without pay. A leave shall commence on and include the first workday on which an Employee is absent and shall terminate with and include the workday next preceding the day on which the Employee returns to work. The Employee's status as a regular Employee shall not be impaired by a leave of absence and the conditions of the leave shall be governed by the provisions herein applicable to the type of leave granted.

16.2 Leaves of absence without pay or fringe benefits up to twelve (12) months for urgent, substantial personal reasons acceptable to the Employer, (including funeral leave for deaths of persons other than those named in Employer Policy 5.9, as amended from time to time, or for such named persons in event Employee has no unused sick leave credits or desires leave without pay in lieu of sick leave), may be granted to regular Employees, provided Employer can make adequate arrangements to take care of the Employee's duties without undue interference with the normal routine of work, under the conditions listed below. Leaves of duration not exceeding five (5) working days shall not cause interruption of seniority or accrual or payment of fringe benefits.

1. The purpose for which the leave is granted will not lead to the Employee's resignation.
2. The Employee shall be reinstated to the Employee's former classification and headquarters upon returning from an authorized leave.
3. Except as otherwise provided herein, an Employee's seniority shall not accrue while he or she is on leave without pay.
4. If an Employee fails to return immediately upon the expiration of the leave of absence, or if Employee accepts other employment while on leave, or if Employee makes application for unemployment benefits while on leave, Employee shall thereby forfeit the leave of absence and terminate Employee's employment with the Employer.

16.3 A leave of absence shall be granted to Employees who enter the Armed Forces of the United States, provided, however, that any such leave of absence and the reinstatement of any such Employee shall be subject to the terms of any Act of Congress which provides for re-employment.

16.4 Leaves of absence for maternity needs of an Employee will be granted on the same basis as leaves required for any other non-industrial sick disability absence, with the understanding that the duration of such leave may be extended depending on the needs of the employee at the discretion of management.

16.5 Recognizing that federal FMLA does not apply to employers with fewer than fifty (50) employees, the Company agrees to meet and confer with IBEW Local 1245 to implement a comparable paid-leave program for all bargaining-unit employees covered by this Agreement if the State of Nevada or the federal government enacts, adopts, or implements any law or regulation providing for or mandating paid FMLA leave. The Parties will seek to ensure equal access to benefits and consistent application across the represented workforce, regardless of workforce size.

16.6 Employees shall be allowed time off with pay to serve as jurors, however, any compensation, exclusive of mileage allowance, shall be deducted from an Employee's regular pay. If an Employee is able to work for four (4) or more of Employee's regular hours upon being released from jury duty, Employee shall report to work after such dismissal.

16.7 At the request of the Union, the Employer shall grant an Employee a leave of absence, not to exceed one (1) year, in order to attend to Union business.
